EY Law is a global firm characterized for its forward thinking and innovation based on the highest ethical and professional standards, which provides comprehensive integrated legal and multidisciplinary offerings to our clients and communities. We are committed to providing exceptional customer service and are driven by a differentiated service model and approach.

### Passion for excellence - Integrated services

At EY Law, our lawyers understand the increasingly complex regulatory, commercial and tax laws of this global economy. We provide holistic guidance around strategic business decisions, reducing the gap between business advisors and legal counsel, and offering support services that increase efficiency and reduce costs of routine legal activities. We have a network of more than 3,500 lawyers around 84 countries.

### Regional approach – North/Latin American integrated firm

In the Americas, we are in 17 countries including Canada, Mexico, Costa Rica, El Salvador, Panama, Guatemala, Nicaragua, Ecuador, Honduras, Brazil, Colombia, Chile, Argentina, Peru, Uruguay, Paraguay and Venezuela. Specialized practice areas include corporate and commercial, M&A, tax, competition, anti-trust, distribution and franchising, international trade and customs, environmental and sustainability regulatory services, data privacy and protection, information technology law, intellectual property, labor, litigation, arbitration and conflict resolution. We also specialize in innovation, start-ups, venture capital and impact investment, and corporate social responsibility projects and pro-bono services for the communities in the region.

## Multidisciplinary and sector-focused

To tailor our advice to our clients' business needs, we focus on a number of industries and sectors: Automotive & Transportation, Banking & Capital Markets, Consumer Products & Retail, Government & Public and Health, Media & Entertainment, Oil & Gas, Power & Utilities, Private Equity, Real Estate & Hospitality, Technology, and Telecommunications.

## Across the globe

From one single point of contact, you can access the world. Working with centrally managed cross-border teams and with single responsible country contacts, our controlled, efficient services around the world assist your business wherever required. Throughout the delivery of our advice, we make sure at each point that we understand clearly what matters to you.

## Integrated

At EY Law we are a truly integrated organization both vertically and horizontally. We are not a loose connection of firms through an alliance nor affiliation, but rather all member firms of EY, with all of the expertise, knowledge and experience that being part of a truly global integrated firm offers. This allow us to work alongside professionals from other practices of EY's business, including Tax, Transactions, Advisory and Assurance, delivering an exceptional client service experience. Serving our clients across borders, our sector-focused, multidisciplinary approach means we offer integrated and comprehensive pertinent advice.
